

### **Avondale Acro Gymnastics Club – funding given - £500:**

Avondale is one of the founding Acro gymnastics clubs in Scotland, running for over 50 years and currently consisting of over 175 gymnasts. The club aims to keep their fees low to allow as many young children as possible the opportunity to enjoy a healthy activity and build confidence. Both recreational and competitive pathways are available here with two members of the senior competition club being recently selected to represent Team Scotland at the Inter-Regionals in May.

Avondale have received £500 through the Aldi Scottish Sports Fund, which will be put towards new gym equipment and much needed wall bars.
